FAMILY OF ASHELY “AJ” JEWELL WANTS JUSTICE FOR THEIR SON

After months of media speculation and conjecture, the family of slain *Real Housewives of Atlanta* member Ashley “AJ” Jewell seeks the truth and justice for their son. Recently the Fulton County District Attorney’s Office has decided not to prosecute the man charged in AJ’s death, leaving many unanswered questions surrounding the case. In response, the family of “AJ” Jewell has decided to launch their own investigation into the case.

Attorney Gerald Griggs has been hired to represent the family of Ashley “AJ” Jewell. “[The family] hopes that after the conclusion of this independent investigation the truth about what happened to AJ comes out thus bringing justice and closure,” Griggs said. “The family wants AJ’s memory to be preserved in dignity and the people responsible to be brought to justice.” Griggs continued, “The DA’s office may have closed the case on AJ, but his family will not rest until the truth is revealed. This independent investigation will follow every lead including a private autopsy to determine the true cause of death.” The Family has offered a \$10,000 reward for information leading to arrest and conviction of those responsible for AJ’s death.

Through their attorney, Gerald A. Griggs, the family states “AJ’s memory will go on in dignity and we will fight to protect his legacy.” The family hopes that this independent investigation will finally provide the truth about what happened to AJ Jewell on the night of October 2, 2009. **Anyone with information concerning this case should contact Attorney Griggs at (404) 221-8888.**
